

I'm PREPARED! for SCIENCE

– An Introductory Science Course

Target group	P1 - P2
Date	28 - 29 Nov 2011
Time	9.30 am - 12.30 pm
Duration	3 hours per day
Venue	1) MERCU™ Pasir Ris 2) MERCU™ Bangkit
Transport	Yes, 1) MERCU™ Woodlands* to MERCU™ Bangkit 2) MERCU™ Eunos* to MERCU™ Pasir Ris <i>*Transport will only be provided if centres hit 4 sign ups and above.</i>
Objectives	<ul style="list-style-type: none"> • Let the students explore the world of Science through fun and hands-on learning experience. • Students will be enriched with science knowledge through incidental learning. • Exposure to Science as this will be a compulsory subject in P3.
Programme Introduction	<p>This programme comes in 3 folds: Games, Experiments and Mini Project.</p> <p>For the 1st Session, students will be energised with ‘warm up’ games that are based on Scientific principles.</p> <p>For the 2nd Session, students will get the chance to be their own Scientists as they carry out the experiments themselves to explore and investigate on some scientific related activities.</p> <p>They will then work on an individual mini project, which enable them to bring home this project to showcase to their parents.</p>
Programme Fees	<p>\$85.00 per child</p> <p><i>*20% off if sign up in September.</i></p> <p><i>*10% off if sign up in October.</i></p>
