**Intensive Revision Workshop (IRW)** now!

---

Beginning 25<sup>th</sup> July, MERCU<sup>TM</sup> Learning Point will be organising **Intensive Revision Workshop (IRW)** for **PSLE and 'O' Level students**. The workshops will last for 8 weeks and 14 weeks respectively. The workshop aims to equip your child for his examinations, boosting their confidence through adequate preparations.

The workshops would cover the techniques of answering examinations questions accurately and also identifying topics that frequently appear in the examinations.

The **PSLE Intensive Revision Workshop** will commence from 25<sup>th</sup> July to 28<sup>th</sup> September. The sessions will be held twice a week, 2 hours per session for 8 weeks. The subjects offered are Mathematics, English and Science.

Mr. Rashid, who enrolled his daughter in MERCU<sup>TM</sup>'s PSLE Intensive Revision Workshop, said, *"Besides giving encouragement to Izzah, we enrolled her in MERCU<sup>TM</sup>'s Intensive Revision Workshop. The programme is effective and the results that she had achieved in her PSLE was excellent. I did not expect for her to be in the Express stream. As parents, we are proud of her achievement. I hope that MERCU<sup>TM</sup> will continue to organise such workshops in the future, as these will benefit students who will be sitting for their PSLE or 'O' Levels."*

As for the **'O' Levels Intensive Revision Workshop**, it will start from 25<sup>th</sup> July to 13<sup>th</sup> November. The sessions will be held once a week, 2 hours per session for 14 weeks. The subjects offered are Elementary Mathematics and Combined Science (Physics/Chemistry).

To ensure that adequate attention is given to each student, MERCU<sup>TM</sup> only allows a maximum number of **12 students per class** for both workshops.

MERCUCU<sup>TM</sup> also offers tuition programmes for students from Primary level to Secondary level. Primary tuition is held twice a week for 1½ - 2 hours per session, whilst secondary tuition is held once a week per subject for 2 hours per session.

Enrol your child now in MERCUCU<sup>TM</sup>'s Intensive Revision Workshop, to assist in his preparations for the upcoming PSLE or GCE 'O' Levels. The workshops would equip him with the necessary techniques to answer examination questions, as well as building his self-confidence to excel.
